I've rented out my flat through Umega for the past 5 years and they are just really good at all that they do. From finding new tenants to dealing with maintenance and HMO legislation, everything runs smoothly. I live hundreds of miles away and rely on Umega to manage everything for me and they have not let me down once. They are outstanding.

Natasha ★★★★★

As a landlord, Umega managed my property for over 10 years. They have been organised, efficient and importantly, worked well with my tenants and with my needs. I have worked with a number of property agencies in the past and Umega have been the best. Thank you.

Damian ★★★★★

I have used Umega Lettings to manage our various Edinburgh properties since 2003. Superb service, minimal down time between lets and excellent rental returns. They are always immediately responsive to any problems or queries. I would have absolutely no hesitation in recommending them.

Umega is by far one of the best renting agencies ever!! ...Ever since the process of the letting agreement to the sign of the contract and the keys all the way through our last days here we have been treated very well and like human beings. Please keep being the best of the best!!

Emma ★★★★★

I found the staff at Umega incredibly efficient and helpful. Their human approach is a refreshing change from most agencies I have dealt with in the past. Fantastic combination of professionalism and down to earth friendliness.

Emily ★★★★★

My tenancy management was recently changed to Umega Lettings and myself and my housemate have been hugely impressed at how efficient and professional they have been. They have done more to improve our flat since we switched than any of the letting agencies we have been with previously.
